HOW TO CONCEPTUALISE A DESIGN PORTFOLIO

GRADUATE LEVEL

HOW TO CONCEPTUALISE A DESIGN PORTFOLIO

TIME FRAME: 3 HOURS │ MODE OF DELIVERY: ONLINE & SELF-DIRECTED

MODE OF DELIVERY

The programme is presented online and is designed to be completed in the participants' own time over two weeks, with a commitment of approximately three hours in total, or 15 minutes daily. The course is completely asynchronous, and students can work through the content in their own time.

PROGRAMME PURPOSE

This short learning programme is designed to assist graduates, from various creative disciplines to curate their first portfolio, whether the purpose of the portfolio is to secure employment or develop a coherent body of work that showcases their skills and attributes. Using design thinking steps as a framework, the graduate will be guided through the process, from concept to implementation.

PROGRAMME OUTCOMES

On completion of this short learning programme, you will be able to:
1.   Recognise the purpose and value of your portfolio as a tool to secure employment.
2.   Investigate various approaches to plan a portfolio for the purpose of showcasing your skills.
3.   Recognise the value of prototyping in the creative approach.
4.   Implement different strategies to evaluate your portfolio and manage feedback.
5.   Recognise your portfolio as a living document composed of numerous iterative processes.

SPECIFIC REQUIREMENTS

MINIMUM SYSTEM REQUIREMENTS:

- **Reliable broadband internet access (WI-FI available at all our campuses, but you may prefer access from home as well)**
- **Firefox/Internet Explorer/Chrome web browser**
- **Microsoft Word**
- **PDF Viewer**
- **Ability to scan and upload documents**
- **Email/cellphone for notification and communication**

ACCESS TO TECHNOLOGY:

STADIO provides students with materials, resources, assessments (including online tests and quizzes), discussion opportunities and several administrative services via its student administration and learning environments. Having access to the above online facilities is essential for efficient communication, learning and success. You will need continuous access to study, using the resources mentioned above, and accessing and submitting some assessments.

TUITION FEES

- R750.00

SCHEDULED CLASSES

This short learning programme will run monthly from the start of June until the end of November. Monthly intakes will occur before or during the first week of every month. Should your application be received after that, you will be enrolled for the next month or later, according to your selection.The short learning programme should be completed by the end of the month that you enrolled in.
