SHORT LEARNING PROGRAMME

HOW TO MAP YOUR ARCHITECTURAL JOURNEY

HOW TO MAP YOUR ARCHITECTURAL JOURNEY

TIME FRAME: 8 – 9 HOURS, OVER 3 WEEKS |

MODE OF DELIVERY: SELF-DIRECTED AND ONLINE ENGAGEMENT

MODE OF DELIVERY

The short learning programme is presented online and is designed to be interactive and completed in the participants' own time over three weeks, with a commitment of approximately 2 – 3 hours per week. This time commitment includes working through the programme content and completing the activities.

PROGRAMME PURPOSE

This 10-hour short learning programme is designed to help young aspiring and practicing architectural professionals and designers explore their potential. Participants go down a reflective path to discover the role of the architect and their own purpose by reflecting on their existing knowledge, skills, and passions and to consider additional but complementary career pathways. Participants are guided to create their own vision maps.

The course encourages participants to explore creative and productive ways to combine their interests and passions into their professional work and take these ideas forwards with renewed motivation and enthusiasm.

PROGRAMME OUTCOMES

On completion of this short learning programme you will be able to:

• Appreciate the role and impact of architecture in society.
• Show awareness of tools that can be used to develop a personal purpose statement.
• Recognise alternative pathways that complements a career in architecture.
• Create of a vision map for your future career.
