SHORT LEARNING PROGRAMME  
**HOW TO VIEW THE LANDSCAPE  
THROUGH NEW EYES**

# SHORT LEARNING PROGRAMME HOW TO VIEW THE LANDSCAPE THROUGH NEW EYES

TIME FRAME: 6 – 9 HOURS, OVER 3 WEEKS |

MODE OF DELIVERY: SELF-DIRECTED AND ONLINE ENGAGEMENT

## MODE OF DELIVERY

The short learning programme is presented online and is designed to be interactive and completed in the participants' own time over three weeks, with a commitment of approximately 2 – 3 hours per week. This time commitment includes working through the programme content and completing the activities.

## PROGRAMME PURPOSE

This short learning programme introduces alternate views of the landscape, along with an introduction to landscape architecture and the role of the landscape architect.

From culturally loaded heritage sites to functionally driven urban environments, different elements that make up the landscape are explored, as well as the essential tools and strategies landscape architects apply. In this programme, we will look at the design approach, from a landscape architect's perspective, to create meaningful landscapes and explore different practices through precedent study and activities.

## PROGRAMME OUTCOMES

On completion of this short learning programme you will be able to:

- Identify different elements of the landscape and the tools that shape them.
- Appreciate the value of the landscape by exploring different types of landscapes and their contribution to society and the surrounding contexts.
- Explore the process of creating landscapes from concept to implementation.
- Investigate a new way of looking at the landscape.
