SHORT LEARNING PROGRAMME

HOW TO CONCEPTUALISE A DESIGN PORTFOLIO

ENTRY LEVEL

HOW TO CONCEPTUALISE A DESIGN PORTFOLIO

TIME FRAME: 3 HOURS | MODE OF DELIVERY: ONLINE & SELF-DIRECTED

MODE OF DELIVERY

The programme is presented online and is designed to be completed in the participants' own time over two weeks, with a commitment of approximately three hours in total, or 15 minutes daily. The course is completely asynchronous, and students can work through the content in their own time.

PROGRAMME PURPOSE

This short learning programme is designed to aid learners, with limited design education, to creatively approach the curation of their portfolio, whether the purpose of the portfolio is application for entry into a qualification, or applying for an internship at a design company. The learner will be the introduced to the basic stages of the design process and guided through the application of the stages in the execution of their design portfolio.

PROGRAMME OUTCOMES

On completion of this short learning programme, you will be able to:
1. Identify the main stages and value of the design process.
2. Identify and interpret language used in a typical design portfolio brief, instructions, or assignment.
3. Explore various approaches to plan a portfolio.
4. Recognise the role of a prototype in a design process and storyboards as a tool to investigate options.
5. Explore different methods to test your portfolio.
