

DESCRIPTION

The STADIO BCom degree will equip you with conceptual understanding, knowledge, theory, skills, methodology and capacity to function effectively in the business environment of the future. You will gain advanced management knowledge and skills and will be able to make ethical decisions in a rapidly changing business environment driven by technological advances. In the first year of study the focus is on laying a solid foundation in the supporting areas of knowledge, namely mathematical concepts and principles, statistics, legal principles, and information technology. The core areas of economics and accounting are developed up to the second year of study, while the focus is on management, entrepreneurship, and research in the third year of study. If you choose one of the seven elective majors, the third-year focus shifts to the chosen field of specialisation, while still covering strategic management, as well as the management of technology and innovation at the exit level.

Lastly, you will also get exposure to an introductory research module, as well as an extensive 25-credit project in year 3 of your studies. The project will be informed by research and aims to integrate the understanding, knowledge, theory, and skills across the core areas of study.

ADMISSION REQUIREMENTS

- a Senior Certificate (SC) with degree endorsement and a minimum symbol of E in Mathematics HG, or D in Mathematics SG; **OR**
- a National Senior Certificate (NSC) with a minimum of 50% in four 20-credit subjects, and a minimum of 40% in English Home Language or First Additional Language, and a minimum of 40% in Mathematics or 60% in Mathematical Literacy; **OR**
- a National Senior Certificate – Vocational Level 4 (NC(V)) with a minimum of 60% in three fundamental subjects including English and Mathematics; and minimum 70% in four vocational subjects; **OR**
- a Higher Certificate (NQF 5), Advanced Certificate (NQF 6) or Diploma (NQF 6) in the field of: Commerce or Management; **OR**
- a National N Diploma in the field of Business, Commerce or Management. Students admitted via this option will be registered for the mathematics academic support module in their first semester.

Applicants who do not meet the admission requirements for Mathematics but who have degree endorsement, will be conditionally admitted and registered for the mathematics academic support module in their first semester.

CREDITS PER YEAR	120	120	120

CURRICULUM OUTLINE

MODULE PRE-REQUISITES

The following modules have pre-requisite modules:

- Year 1: Business Mathematics for Statistics; Business Mathematics for Economics 1
- Year 2: Economics 1 for Economics 2; Accounting 1 for Accounting 2; Accounting 2 for Financial Management; Economics 2 for Economic Policy and Sustainability; Financial Reporting and Analysis for Financial Management for FM 1; Accounting 2 for Investment Management 1
- Year 3: Investment Management 2A for Investment Management 2B; Investment Management 1 for Investment Management 2A; Economic Policy and Sustainability for International Economics; Introduction to Research for Project; Financial Management for FM 1 for Financial Management for FM 2; Risk Management 1 for Risk Management 2

MODULE CO-REQUISITES

The following modules have co-requisites:

- Data and Decision-making with Statistics; Financial Reporting and Analysis with Accounting 2

ARTICULATION POSSIBILITIES

In terms of the HEQSF, vertical articulation from the Bachelor of Commerce degree is possible to either a Bachelor Honours degree (NQF 8), or a Postgraduate Diploma (NQF 8) in a field related to commerce or management. You could for example register for the STADIO Bachelor of Business Administration Honours (117864).

Horizontal articulation options include other bachelor's degrees, such as STADIO's Bachelor of Business Administration (117863) or STADIO's Bachelor of Commerce in Law (117872). Diagonal articulation options usually allow graduates to move into Advanced Diploma programmes in a specialist field. An appropriate example is the STADIO Advanced Diploma in Management (117865).
