## DESCRIPTION

The Higher Certificate in Fashion Styling is a one-year full-time learning programme designed to address the growing demand for skilled fashion stylists in the South African fashion industry. With over 26 years of experience and extensive engagement with the industry, the STADIO School of Fashion has identified the pressing need for qualified professionals who possess the expertise to excel in various styling arenas, including the ever-expanding online merchandising sector. This programme has been meticulously developed in collaboration with industry specialists, ensuring that it encompasses the critical skills and knowledge areas required to meet the specific needs of the sector. Graduates of this programme will emerge as fashion stylists, capable of seamlessly applying their skills in-store, online, and for entrepreneurial ventures. They will be able to create captivating window displays, style digital and print catalogues, capture product and flat-lay photographs, and execute client briefs with precision, including makeup application.

Our programme caters to a diverse range of learners, attracting individuals who possess a natural affinity for creativity and artistry. Whether you are a school leaver seeking to enter the fashion industry or an adult learner already working as a stylist, our programme provides the formal qualification you desire.

Upon completion of the Higher Certificate in Fashion Styling, a world of exciting career opportunities awaits. Graduates can thrive as personal fashion stylists in both in-store and online environments, as well as explore entrepreneurial avenues. They can excel as window display dressers, visual merchandisers, fashion catalogue stylists, entry-level makeup artists, fashion product photographers, or fashion design assistants. Additionally, opportunities exist for commercial stylists, Instagram freelance photographers, wardrobe stylists, TV stylists, personal shoppers, and more.

Embark on your journey to become a skilled fashion stylist with our comprehensive curriculum, which covers essential subjects such as Styling, Digital Photography, Make-Up Design and Application, Visual Merchandising, Fashion Communication and Design, and Work-Integrated Learning (WIL). Join us today to fulfil your creative potential and contribute to the growth and sustainability of the South African fashion industry.
