

## CAMPUS

BELLVILLE  
(CAPE TOWN)

## DESCRIPTION

The STADIO Higher Certificate in Graphic Web Design will equip students with web design skills and techniques essential to develop interactive websites and animation. This programme includes graphic design, because the output will be consumed through a visual medium.

It goes further than the purely visual. It stretches to incorporate every aspect of a web experience. The programme includes responsive website design, logo design, user interface design, HTML mark-up, design for ease-of-use (usability), selecting content imagery; frame by frame animation; just to name a few.

## ADMISSION REQUIREMENTS

- a Senior Certificate (SC); **OR**
  - a National Senior Certificate (NSC), with a minimum of 40% in three modules including a Home Language, and a minimum of 30% in three other modules; **OR**
