

DESCRIPTION

The Diploma in Policing is aimed at students who are pursuing management careers within the field of policing and law enforcement.

The level of flexibility within the range of electives will allow the individual to pursue further specialisation in the field of policing and law enforcement.

It reflects the need and demand within the policing environment for officials who are or will be performing managerial and leadership functions and demand more in-depth managerial knowledge and skills of organisational processes and procedures contextualised within the Safety in Society environment.
