#### IMPORTANT:

- $\cdot$  The cost of a short course (presented at our Venue) will depend on the number of delegates that attend the short course and the duration of the short course.
- Travel, accommodation and subsistence costs of the presenter/facilitator will be included in the fee. • In the case of an in-house short course or development programme, the client is responsible for the arrangements regarding the venue and refreshments/meals.
- $\cdot$  The cost includes all study guides and hand-outs as required for the different courses or programmes.
- The cost for the development programmes includes access to online libraries EBSCO and SABINET for research.
- · If a delegate is assessed and has passed the assessment, a certificate of competence will be issued by STADIO.

For more information about the course outcomes, please contact:
