

## DESCRIPTION

The Bachelor of Policing Practices degree is aimed at students who are pursuing management careers within the field of policing and law enforcement. The level of flexibility within the range of electives will allow the student to pursue further specialisation within the policing and law enforcement sector.

The Bachelor of Policing degree reflects the need and demand within the policing environment for officials who are or will be performing managerial and leadership functions demanding more in-depth managerial knowledge, skills and attributes of organisational processes and procedures contextualised within the policing and law enforcement environment.
