BACHELOR OF LAWS

NQF 8 | MIN. 490 CREDITS | SAQA ID: 122316 | MIN. 4 YEARS

STADIO FLEX CAMPUS: RUSTENBURG

DESCRIPTION

This qualification recognises the skills and knowledge expected of stakeholders or individuals seeking positions in the law environment. The programme is designed to equip students for the demands of the legal and academic environments in democratic South Africa, as well as taking responsibility in relevant societal contexts.

The Bachelor of Laws degree is aimed at producing competent, skilled and dynamic legal graduates, equipped with a firm knowledge and understanding of the relevant legal principles. It furthermore provides the foundation for Master's level study and develops research capacity in the methodology and techniques of the discipline.

Flexibility is provided with a choice of electives such as Intellectual Property Law, Law Related to Business Distress and Legal Strategy, in order for graduates to specialise in specific fields of the law.

WHAT IS STADIO FLEX?

STADIO Flex offers students a supported distance learning experience that combines the flexibility of distance learning with structured group classes and seminars that provide a guided learning experience and reduce the isolation of distance learning. As a STADIO Flex student, you meet and connect with other students, benefit from a fully equipped information and resource centre, have readily available connectivity via campus Wi-Fi that supports seamless study progression, and have ongoing access to individual, personalised support from full-time academics and student support staff on campus.

YOUR LEARNING JOURNEY

When you enrol, in addition to receiving your study material and student support resources online and a printed copy of the study guide (optional), STADIO Flex (SF) students will receive a timetable of group classes and seminars spread across 8 weeks per semester. Students are invited to attend two one-hour group classes per week for each of their registered modules. These engagement sessions guide students through the module content using practical examples and case studies, ensuring that the application of learning is prioritised. Seminars presented by experienced guest lecturers and industry experts are a regular feature of SF, increasing learning impact, networking opportunities, and promoting workplace readiness. In addition, at the start and throughout the first semester, students attend planned orientation and student support sessions to help them successfully transition into and through higher education.

The timetable is purposefully structured to ensure students have an engaged and productive campus experience, while also acknowledging that, as distance learners, they may need time for other commitments.

All in-venue assessments (at the end of the semester) are scheduled on campus, and students have the advantage of sitting for their supplementary exam before the commencement of the next semester, to facilitate academic progression.

Critically, STADIO entrenches programme parity and quality irrespective of mode of learning – whether you enrol for contact learning, distance learning at the Musgrave or Krugersdorp campus, or SF in Rustenburg, the curriculum and learning outcomes for the same programme will always be equal. What differs is how teaching and learning is presented and supported. STADIO Flex students can therefore focus on their studies, knowing they are receiving a quality education that reflects the overall excellence of the STADIO brand.

Upon enrolment, you will be integrated into the exciting buddy programme. Students are partnered with an academic staff member who serves as a personal point of contact throughout their studies to help navigate challenges and provide important support.

Why Choose STADIO Flex? You will benefit from:

- Affordable, flexible distance learning that purposefully integrates supported teaching and learning to promote student success.
- Regular, scheduled face-to-face group classes presented by academic experts, and seminars presented by industry specialists.
- Personalised guidance through the Buddy Programme.
- Consistent academic quality across all Campuses.
- Personal connection with lecturers, staff and fellow students.
- A structured study pathway designed to keep you motivated and on track.
- Convenient access to in-venue assessments and supplementary examinations.
- Access to learning resources, Wi-Fi on campus, and planned campus events and activities.
