

STADIO Namibia is giving away 2 x opportunities for listeners to win Bursaries.

The objective is to encourage listeners to enter via WhatsApp voice note telling us why they should win this bursary and also visit the STADIO Website.

Stand a chance to win a full bursary to join our dynamic distance learning institution. Do you have 20 points in Grade 12 with an E in English? Then you qualify to take part in STADIO Namibia's Hidden Objects Competition. Send us a motivational voice note on why you deserve to take part, for a whopping prize to study either the Higher Certificate in Management or the Higher Certificate in Paralegal Studies.

Once you have sent your voice note, visit Radiowave/Omulunga Radio Website and STADIO Namibia social media pages and download the hidden objects image.

You have 1 week to find 20 items students use to study, and a secret hidden clue.

Every Friday, the presenter will call one lucky candidate to take part in the hidden objects game.

You have 30 seconds to mention the 20 items.

If you mention 20 items, you are entered into the final draw. If you did not mention 20 items, but mentioned the hidden clue, you are entered into the final draw.
