The course is non-credit bearing, not registered with the South African Qualifications Authority (SAQA), and does not lead to a qualification or part-qualification registered on the National Quality Framework (NQF). At the same time, successful completion of the Online SLP can be included in your portfolio of evidence for Recognition of Prior Learning (RPL) consideration for access to a full qualification.

Mode: Unassisted Online Learning

Fees: R800

Language: English

COURSE OVERVIEW:

Both school and university can equip you with knowledge and skills relevant to your prospective career. However, the skill set required for securing the job is one that you will need to develop separately. You need to understand how to become an appealing applicant to prospective employers. The most successful individuals are those who combine their skills with self-confidence and street smarts. it is important for you to have a full understanding of what is required to take advantage of available job opportunities.The current South African job market is highly competitive, meaning that you need to be more skilled and better prepared than your peers to secure a job. Discover the most vital skills needed to secure a job and the steps you can take to become the most appealing job applicant possible. This Online SLP is ideal for first-time job seekers, or individuals applying for jobs to secure promotions.

There are no entry requirements for this Online SLP. However, it is recommended that the applicant has achieved English language competence at a level that is equivalent to Grade 12.

Earn your Certificate of Completion and add the following to your CV:
