STADIO

SCHOOL OF MEDIA & DESIGN

PORTFOLIO REQUIREMENTS

Portfolio of Evidence must be submitted on/before **15 February 2023** with completed registration form.

SCOPE OF APPLICATION

In terms of the Admission Policy at STADIO, a portfolio of evidence and a motivational essay is required over and above the normal requirements such as the completed registration contract for certain qualifications, namely the Bachelor of Applied Arts in 3D Animation and/or the Diploma in 3D Animation. The portfolio is used to evaluate whether the applicant has the necessary drive and prerequisite skills to complete the programme successfully.

Applicants must be computer literate and be able to work within the Microsoft Windows environment. They must demonstrate sound drawing skills and a basic comprehension of three dimensional shapes. They must submit a well organised portfolio of 5 individual artworks listed below, and at least 5 additional examples of drawings/paintings they have done within the past year.

HOW SHOULD I SUBMIT MY PORTFOLIO OF EVIDENCE?

- All applicants must submit the required portfolio, irrespective of whether they have done art or design at school, or not.
- Submitting the portfolio does not automatically mean that the application has been approved.
- Applicants should submit only ONE portfolio for entry into the Diploma or Degree qualification.
- Applicants must complete the portfolio without any assistance. Do not copy or trace drawings from other artwork or designs.
- The portfolio should not include any work done on cardboard or canvas, or framed work especially glass or wood-mounted artwork.
- Applicants may include any additional evidence such as photographs of own work, but the portfolio may not consist of a series of photographs only.
- All artwork included in the portfolio should be limited to A4 size.
- Good quality copies of artwork (A4 format) are allowed.
- Please do not bind the artwork.
- The name of the applicant and the relevant programme Bachelor of Applied Arts in 3D Animation and/or the Diploma in 3D Animation must appear on the cover page of the portfolio. The name of the applicant must also appear on the flip side of each artwork in the portfolio.
- The portfolio must be mailed (preferably sent via WeTransfer - <https://wetransfer.com/>) to, or delivered by hand at the Marketing office on campus.
- Applicants from distant locations must ensure that the documents are secured in a sturdy folder to prevent damage to the documents inside when submitting the portfolio by mail.
- Only International and students from abroad may submit a digital portfolio using a PDF, which can be emailed to info@stadio.ac.za or sent via WeTransfer - <https://wetransfer.com/> Please make sure the portfolio size does **not exceed 10MB**.

INTERVIEW

Interview may be conducted over skype video call, should the Program Coordinator wishes to do so.

WHAT TO INCLUDE IN YOUR PORTFOLIO OF EVIDENCE:
