In the case of a student wishing to transfer from one room type (2 persons per room to 1 person per room), the student must apply to do so within the first 7 working days after classes commence as per the academic calendar. Not being able to transfer to another room type is not a sufficient reason to cancel the contract.

8.9 REDUCTION IN FEES / ADDITIONAL FEES

The student shall not be entitled to any reduction of fees whatsoever. In the event where experiential learning / work-integrated learning takes place at a different location, no reduction in fees will be given. If a student decides to reside in the residence during any academic/campus holiday for experiential or work-integrated learning purposes, a fee of R100.00 per day is payable in advance.
