STADIO

ONLINE SHORT LEARNING PROGRAMME

PROJECT MANAGEMENT IN SOUTH AFRICA

powered by **EDGE** EDUCATION

COURSE INFORMATION:

Minimum duration: Self-study within 6 weeks. Minimum focused learning time required: approximately 72 hours.

Minimum credits: Certificate of Completion

Complexity level: This Online SLP provides a coherent, quality learning experience with predetermined learning outcomes and objectives. The course is non-credit bearing, not registered with the South African Qualifications Authority (SAQA), and does not lead to a qualification or part-qualification registered on the National Quality Framework (NQF). At the same time, successful completion of the Online SLP can be included in your portfolio of evidence for Recognition of Prior Learning (RPL) consideration for access to a full qualification.

Mode: Unassisted Online Learning

Fees: R1 500

Language: English

COURSE OVERVIEW:

Why are project managers so sought after in business? What makes a good project manager? This Online SLP will empower you to answer these questions. Upskill yourself with foundational knowledge of project management, strategy, project selection and feasibility, project stakeholders and project scope. The Online SLP is ideal for anyone interested in project management and how to think when planning for project success. Individuals that will benefit greatly from this Online SLP include aspiring project managers, and managers looking to take their career to the next level. It is also an excellent prelude to this exciting skill set for individuals in specialised careers such as engineering looking to acquire project management skills.

There are no entry requirements for this Online SLP. However, it is recommended that the applicant has achieved English language competence at a level that is equivalent to Grade 12.

Earn your Certificate of Completion and add the following to your CV:

"Successfully completed the STADIO Online Short Learning Programme: Project Management in South Africa"
